

March 2019

Just a quick update to share all the great things that have happened in the last few weeks. The Lord has definitely blessed our efforts, including the 15 flights to achieve our goals. We had over 500 professions of faith and hundreds of Pastors trained in church planting and evangelism in several African Countries. Fifty Pastors were provided new bicycles to multiply their ability to reach out. WOW!! Three prisons and one major high school, along with the largest refugee camp on the planet will never be the same. Thank you, Jesus! None of this would be possible without our partners around the world. Thank you Global Fire Advance, Men and Women of Action, Church of God World Missions, RIO Missions, Christ Prosperity Ministry- Kampala, Uganda, Wheels for Gods Word, RIO Life Springs in the U.S. and John Ritcheson. Without your praying, going, giving, and the help and protection of the Holy Spirit, none of this would have happened. It is so exciting to be right in the middle of what God is doing globally. Thank you for your prayers, your gifts, and your sacrifices. I am home for a couple of weeks. Next, we go to Thailand where we will speak into the lives of some of the top leaders in SE Asia. While there we will also credential some of the up-and-coming world changers in that region. I believe this ministry is some of the most fertile ground on earth. The harvest is happening now. Please help us as we take part in what God is doing worldwide. -Ronnie
